

It's Great To Work at CANA

ANALYZE. ASSESS. EXECUTE.

ARE YOU A PERFECT FIT?

Our open, small business culture is based on a team of engaged and dedicated professionals. We believe in fully supporting one another, our clients, and our communities through our skills and talents.

REASONS WHY

1

FLEXIBLE AND VIRTUAL

CANA has been remote and flexible since its beginning. Work from home or a coffee shop. Design your day.

2

PROJECTS OF INTEREST

CANA has a wide range of projects: military analytics; smart cities; healthcare analytics; logistics and supply chain; learning and development; and warehouse management software and services.

3

REPUTATION

CANA is well-respected in the commercial and government arenas. Our team is deeply involved in professional societies and education.

4

GROWTH

We pride ourselves on encouraging growth. There are opportunities for independent research projects, service collaborations through our CANA Foundation, sabbaticals, and continuing education.

5

OUR TEAM

CANA is made up of diverse, smart, men and women from a range of backgrounds. We are proud of CANA. Our team relationships are open, and...fun. Although we live around the country, we meet virtually and in-person for events and activities.
